

## Auditors' Report to the Members

We have audited the annexed balance sheet of Balochistan Particle Board Limited as at June 30, 2008 and the related profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit. The financial statements of the Company for the year ended June 30, 2007 were audited by another Chartered Accountants firm who has issued a qualified report in respect of company's ability to continue as going concern on September 29, 2007.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that :

The annexed accounts have been prepared on a going concern basis, as the Company's business operations comprise of letting out part of its premises to third parties for the purpose of storage and conduct of their commercial operations. Further, the Company's sponsor directors had continuously arranged funds in the past from affiliated company as loan in order to meet the financial obligations of the company and for the maintenance and upkeep of plant and machinery as explained in Note No. 23.1 of the notes to the financial statements. The management has not yet envisaged any business plan to recommence its operations and presently the company is deriving rental income by letting out part of its premises. The Board of Directors deliberated over the prevailing adverse conditions and concluded that future course of action will be decided upon the disposal of the pending court cases, the details whereof are fully disclosed in Note No. 12 of the notes to the financial statements.

In view of the prevailing conditions there is significant doubt about the company's ability to continue as a going concern. Consequently adjustments may be required to the recorded asset amounts and classification of liabilities.

- a) in our opinion, proper books of accounts have been kept by the Company as required by the Companies Ordinance, 1984.
- b) Except for the effects of above reservation, in our opinion;
